ABOUT US

Indochina Rice Mill Limited established in 2010, we start from a small rice trading business and become a rice vermicelli producer in town. IRM strategically located in Kompong Chhnang province along the national road number 5 the way to Pursat province and Battambang province where the best fragrant rice was grown. The place is nature's gift for farming and the rich of fertile soil , which makes excellence quality of rice vermicelli to deliver our customers.
